Greetings to all you fine Gentefolk!

Welcome to the third year of The **Distinguished Gentleman's Drive**, where classic enthusiasts around the world are all driving dapper together for men's health. This is year 3rd, and it is my honour to invite you to the first ever Distinguished Gentleman's Drive of **PERTH!**

The Jaguar Car Club of Western Australia extends this invitation to the owners of registered and insured classic cars, pre-1980 (some exceptions are possible, please enquire), to come together for an enjoyable day, driving our superb passions,

dressing up in tweed, bowties, cravats, hats and spats, we will meet and admire each other's pride and joy, in a leafy park overlooking Perth and the Swan River, before making an amazing departure, with a maximum 50 eyewatering nostalgic autos, taking in some classic Perth river views, then cruisin' a bog lap of one off our trendiest town's main drags, just like back in the day. The Drive terminus is an old pub, now trendy, within view of our City of Lights.

All this while enjoying convivial intellectual intercourse with Gentlefolk, who share your delight in chrome, whitewalls, fins and all things classic. You'll be entertained by your fellow dapper drivers, who can be quite unique characters, waxed moustaches, and morning coffee. At the Drive's finishing point, you'll be able to relax, bevvie in hand, admiring other's efforts and convivial conversation.

All the while you will be raising funds for men's health, with \$20.00 being the registration fee and freedom to secure further donations for the cause. 12 years ago, the Distinguished Gentleman's Ride, commenced in Perth and has since grown to be an international event with over 100,000 dapper Gentlefolk riders, in more than 100 countries riding together this year and having raised more than \$US45 million internationally for prostate cancer research and men's mental health. Three years ago, the Distinguished Gentleman's Drive commenced, with this year, Perth joining the cause for the first time, giving you the joy of joining fellow dapper classic car drivers all over the world, in a unique drive.

It'll be exciting to see all you dapper looking drivers, and your incredible cars on the day. I am your drive host, **Dave**, and it is my privilege to be able to bring the Drive to you.

The goal this year from the team at The Distinguished Gentleman's Drive is simple: keep it small, keep it organic, and authentic and bring together passionate drivers to unite and raise awareness and funds for men's health. From that, it will rapidly grow. Seeing all you passionate Gentlefolk gathering, will be proof that there are no doubts this will grow and help save men's lives.

If you own a registered business, there are sponsorships available, which will give your business promotion on the day and may well be a tax deduction. We are particularly seeking tow truck sponsorship. It is envisioned that a tow truck will follow the Drive to recover any vehicles, which decided to withdraw from the event due to, dare I say it, break down.
